Throughout the day we want to encourage an atmosphere of *Festival*, where singers can meet each other, listen to each other, and build community and collegiality. Attending tonight's concert supports your fellow community of singers, and also can be very informative, educational, and inspirational. The concert will be open to the community at large so tell all your friends and family about it!

*If you are looking for somewhere to get food or coffee that is close to Sonoma State, there are several options south of campus in the Wolf Den Plaza: 1722 E Cotati Ave.*

Since the end of our audition day is so close to the start of tonight's recital, the **Festival Concert Program is online!**

Please scan the QR code with your phone to access the program. It will be updated in real-time with the names of the finalists and their selected songs as we receive that information from our adjudicators.
